

April 19th - 27th 2018

The Hoh Tribe will be providing two dumpsters for community members to dispose of unwanted trash. Residents are encouraged to take advantage of this opportunity!

The dumpsters will be located in Chalaat Loop and by the community dumpsters!

All appliances, tires, wheels or any other large items need to be placed next to the large dumpster by the community dumpsters.

If you have any junk vehicles and would like them removed please contact the Admin Office 360-374-6582
