Hoh Tribal Fishing Regulation: **23-03-30**

Date: March 30, 2023

Supersedes Regulation: 22-04-15

REGULATORY/FISHERY PURPOSE: SETS SUMMER COMMERCIAL SALMON FISHERY FOR WEEK 19, 2023 THROUGH WEEK 35, 2023. **7.5 inch** minimum stretch size May 1 through August 27 (weeks 19 through 35)

TARGET FISH SPECIES: Chinook Salmon

EXPECTED FISHERMEN IN FISHERY: 010

HOH RIVER U & A ADJACENT TO RESERVATION:

AREA: From mouth of Hoh River to the Tribal Reservation Eastern boundary location, approximately one mile upstream.

SEASON: May 1, 2023 to August 27, 2023

PERIOD COVERED

IN THIS REG: The weeks of May 1, 2023 through August 27, 2023

DAYS OF WEEK: The fishery will open and close, according to the attached schedule “2023 Hoh Tribe Spring/Summer Fishing Schedule” unless rescheduled by regulation addendum because of unsafe river conditions or other environmental conditions for the 2023 Spring/Summer season.

TIME OF DAY: Opening and closing times are 10:00 AM opening day to 10:00 AM closing day, except as may be rescheduled by subsequent regulation addendum.

LEGAL GEAR & GEAR RESTRICTIONS: The gillnet gear allotment is limited to two set-nets or one set-net and one drift-net per fisherman in the Hoh River in all open fishing area (Each fisherman may only use one (1) set-net in the area adjacent to the reservation and one (1) set-net upriver (above) of the reservation; or use two (2) set-nets in the area above the reservation and no (0) set-nets in the area adjacent to the reservation). Unattended gear must be marked with the owner or operator of the fishing gear identification number.

MESH SIZE: **7.5 inch** minimum stretch size May 1 through August 27 (weeks 19 through 35)

REPORTING CATCH: Catch shall be reported according to provisions of the General Fishing Ordinance No. 78-09-01. The Hoh Tribe considers its ability to sample the harvest an essential element of catch reporting. Therefore, under that provision, tribal fishermen shall make their catch of fish available for catch sampling prior to its delivery to off-reservation buyers. Sampling shall be accomplished by fish sampler(s) designated by the Hoh Tribe or the Hoh Tribe’s Fisheries Management Biologist.

HOH RIVER U & A ABOVE THE RESERVATION UP TO THE HWY 101 BRIDGE:

AREA: From the Tribal Reservation eastern boundary location, located approximately one mile upstream to the highway 101 bridge. All other Hoh River off-reservation sections and tributaries are closed to fishing.

SEASON: Same as adjacent to reservation.

PERIOD COVERED

BY THIS REG.: Same as adjacent to reservation.

DAYS OF WEEK OPEN: Same as adjacent to reservation.

TIME OF DAY: Same as adjacent to reservation.

LEGAL GEAR & GEAR RESTRICTIONS: SAME AS "ADJACENT TO RESERVATION" SECTION.

MESH SIZE: SAME AS "ADJACENT TO RESERVATION" SECTION

TRIBUTARIES AND HOH RIVER ABOVE 101 BRIDGE:

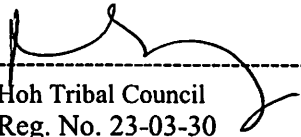

****CLOSED TO COMMERCIAL AND GILL-NET FISHING****

AREA: Tributaries, Hoh River above 101 bridge extending to the divides; with the Elwha River on the east, the Queets/Clearwater Rivers to the south and the Quileute River to the north.

SEASON: Open only to hook and line personal-use fishing.

COMMENTS: All gear left unattended on fishing grounds during closed fishing time, or illegal gear observed on fishing grounds at any time shall be recovered by enforcement. Return of such gear shall be subject to determination of legal ownership and that such gear was not involved in illegal fishing activities. Return of such gear would occur after closure of the next scheduled week's fishery, appropriate for that gear's use. All other provisions of the General Fishing Ordinance No 78-09-01 not covered or altered by these regulations shall remain in effect under this regulation.

Signed,

Hoh Tribal Council
