HOH TRIBE FISHING REGULATIONS

2023 Fall Fishing Season

Hoh Tribal Fishing Regulation: **23-04-10**

Date: April 10, 2023

Supersedes Regulation: 22-05-20

REGULATORY/FISHERY PURPOSE: SETS FALL COMMERCIAL SALMON FISHERY FOR WEEK 36, 2023 THROUGH WEEK 49, 2023.

TARGET FISH SPECIES: Chinook Salmon, Coho Salmon

EXPECTED FISHERMEN IN FISHERY: 15

HOH RIVER U & A ADJACENT TO RESERVATION:

AREA: From mouth of Hoh River to the Tribal Reservation Eastern boundary location, approximately one mile upstream.

SEASON: August 28, 2023 until December 03, 2023

PERIOD COVERED

IN THIS REG: August 28, 2023 through December 03, 2023

DAYS OF WEEK: The fishery will open and close, according to the attached schedule “2023 Hoh Tribe Fall Fishing Schedule” unless rescheduled by regulation addendum because the catch is less than 60% of the forecast, unsafe river conditions, or other environmental conditions for the 2023 Fall season.

TIME OF DAY: Opening and closing times are 10:00 AM opening day to 10:00 AM closing day, except as may be rescheduled by subsequent regulation addendum.

LEGAL GEAR & GEAR RESTRICTIONS: Hook and line or gillnet. The gillnet gear allotment is limited to two set-nets or one set-net and one drift-net per fisherman in the Hoh River in all open fishing area (Each fisherman may only use one (1) set-net in the area adjacent to the reservation and one (1) set-net upriver (above) of the reservation; or use two (2) set-nets in the area above the reservation and no (0) set-nets in the area adjacent to the reservation). Unattended gear must be marked with the owner or operator of the fishing gear identification number.

MESH SIZE: **6-inch minimum stretch size**

REPORTING CATCH: Catch shall be reported according to provisions of the General Fishing Ordinance No. 78-09-01. The Hoh Tribe considers its ability to sample the harvest an essential element of catch reporting. Therefore, under that provision, tribal fishermen shall make their catch of fish available for catch sampling prior to its delivery to off-reservation buyers. Sampling shall be accomplished by fish sampler(s) designated by the Hoh Tribe or the Hoh Tribe’s Fisheries Management Biologist.

Hoh Tribal Council
Reg. No. 23-04-10

TRIBUTARIES AND HOH RIVER ABOVE 101 BRIDGE:

****CLOSED TO COMMERCIAL AND GILL-NET FISHING****

AREA: Tributaries, Hoh River above 101 bridge extending to the divides; with the Elwha River on the east, the Queets/Clearwater Rivers to the south and the Quileute River to the north.

SEASON: Open only to hook and line personal-use fishing.

HIRED FISHERMEN PERMIT PROCESS: ONLY PERMITEES REGISTERED WITH FISHERIES ENFORCEMENT WILL BE QUALIFIED TO FISH.

COMMENTS: All gear left unattended on fishing grounds during closed fishing time, or illegal gear observed on fishing grounds at any time shall be recovered by enforcement. Return of such gear shall be subject to determination of legal ownership and that such gear was not involved in illegal fishing activities. Return of such gear would occur after closure of the next scheduled week's fishery, appropriate for that gear's use. All other provisions of the General Fishing Ordinance No 78-09-01 not covered or altered by these regulations shall remain in effect under this regulation.

Signed,

Hoh Tribal Council
