Hoh Tribe 2024 Clam Regulations C&S Fishing Regulation

Fishery:	Razor Clam and Other Intertidal Bivalve
Fishery Purpose:	Clam and Mussels harvest regulation for personal use and shall not be sold.
Season:	January 1, 2024 through December 31, 2024
Management Area:	Quileute River (47 deg. 54' 18" N. latitude) Quinault River (47 deg. 21' 00" N. latitude)
Effort:	2 days/month with up to 20 people/day
Legal Gear:	Hand held fork, rake, shovel, pots and other gear that the tribe deems is not environmentally harmful.
Species and Limits:	Allowed species and limits are provided below:
Razor Clams:	100 Clams per person per day
Steamers:	50 lbs. per person per day
Butter Clams:	50 lbs. per person per day
Mussels:	50 lbs. per person per day
Misc. Species:	50 lbs. per person per day

CATCH REPORTING: The Hoh Tribe will monitor C&S shellfish harvest through interviewing and information reported directly to Hoh Natural Resources.

All tribal members harvesting clams and other shellfish are encouraged to check in with Hoh Natural Resources prior to harvest, for information on biotoxin test levels to ensure shellfish are safe for consumption. Authorized tribal fisherman must have in their possession a Tribal identification card.

Signed,

Chair, Hoh Tribal Business Committee
